Family Concert

Timothy Redmond: Conductor
Matthew Sharp: Presenter
Cambridge Philharmonic Orchestra

Hello and welcome to Cambridge Philharmonic's annual family concert!

Today we're delighted to be joined by the amazing Matthew Sharp who sings, acts and plays the cello – quite often all at the same time!

Today we're going to be meeting a LOT of animals: some you'll have heard of, some you won't, and some might only be discovered during the concert

itself! But the thing they all have in common is that they are very musical animals.

When you get home maybe you could try inventing some musical animals. You could make up an animal tune, copy the noises they make, or tap out the rhythm of their feet on the ground – but in the meantime, we hope you enjoy the show!
